Shipping

Shipping and handling are extra. Our standard boxing fee is \$20.00 and crating fee is \$65.00 and up, depending on the size of the trophy. Shipping charges are determined after the trophy is boxed/crated, weighed and measured. If you have a Fed Ex or UPS shipping account, we can charge to your account. It is less expensive to ship to a business address versus a residence. The balance due and shipping must be paid prior to shipping.

TROPHIES FROM OUTSIDE THE U.S. (Africa, Asia, Canada, Mexico, New Zealand, etc.).

All shipments originating outside the United States should be sent freight collect through the Port of Entry at DFW.
